## WORK EXPERIENCE

### Typecast US Inc.

#### Design Consultant

SEP 2022 - PRESENT | NEW YORK, NY

Designing a mobile app with AI-powered voiceover to easily make short-form content

Advising the design team about prioritizing, the design process, and design rituals

Launched a global website for Typecast.ai by facilitating workshops, defining design concepts, and producing a hero video

### Atlassian Inc.

#### Senior Design Manager

MAR 2022 - SEP 2023 | NEW YORK, NY

Managed a total of 8 designers, supporting both web and native mobile apps

Collaborated with cross-functional partners to resolve ambiguity and advocate for users

Created a rhythm and structure for the design team by facilitating design rituals and design crits

#### Lead Product Designer

OCT 2020 - FEB 2022 | MOUNTAIN VIEW, CA

Led a design sprint and created promotional movies to convey a picture of Confluence's future

Applied the vision to Confluence Home

#### Staff Product Designer

SEP 2019 - SEP 2020 | MOUNTAIN VIEW, CA

Redesigned Confluence page creation experience

Launched template galleries on the marketing page as well as within Confluence

### Oracle America Inc.

#### Principal UX Designer

MAR 2019 - AUG 2019 | REDWOOD SHORES, CA

Led "Travel and Expenses" product vertical. Streamlined expense UX for submitters and approvers

Researched conversational UI use cases for "Expenses" on three clients: SMS, GUI, and Slack

Helped the team triple in size by interviewing dozens of candidates and mentoring junior designers

#### Senior UX Designer

AUG 2014 - FEB 2019 | REDWOOD SHORES, CA

Contributed to design system by defining new home experience, its navigation model and overall animation

Developed concepts of Oracle AI Apps from scratch

Designed and demoed "Web Clock" for web, native mobile apps, and smart watch

Launched "Daily Minor Planet" in partnership with NASA

### International Computer Science Institute

#### UX/UI Designer & Front-end Developer

JUN 2013 - JUL 2014 | BERKELEY, CA

Built educational web apps for Teaching Privacy project; "Ready or Not?", covered in news outlets

### Seoul National University, UX lab

#### UX Researcher

SEP 2010 - JUL 2012 | SUWON, SOUTH KOREA

Conducted contextual research and presented design concepts for the next generation EMR system

## EDUCATION

### University of California, Berkeley
